

Dealing with data

```
const data = [  
  {  
    "label": "total_carts",  
    "count": 312  
  },  
  {  
    "label": "total_checkouts",  
    "count": 241  
  },  
  {  
    "label": "total_orders",  
    "count": 128  
  }  
]
```
