Dealing with data restrictions

```
const data = [
  {
    "label": "total_carts",
    "count": 312
  },
  {
    "label": "total_checkouts",
    "count": 241
  },
  {
    "label": "total_orders",
    "count": 128
  }
]
```

Dealing with data **restrictions**
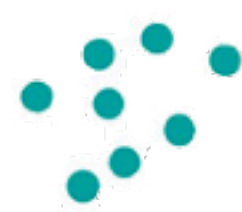

```
